# SCRAMBLE FORMAT

All four players tee off. Each player's tee shot must be used at least THREE TIMES during the round. The best position ball is determined and the three players with the lesser positions move their balls to the preferred ball. The dropped balls must be played within 1 foot of the preferred ball, but not bettering the position of the preferred ball (you cannot move from a rough position to a fairway position).

1. All four players hit their balls again and move lesser position balls to the preferred ball until all four balls are on the green.
2. PUTTING - All balls must be putted from within 3 inches of the preferred ball - not bettering the position.
3. First ball in the hole scores for the team. So do not tap in - play out the putts.
4. At the end of the tournament, please hand in scorecards to the Pro Shop.
5. In the event of a tie teams' names will be put into a draw and the winner will be chosen at random.

# OPEN TO ALL GOLFERS

**Mulligans -** Valid for the use of 3 mulligans. Each mulligan can only be used once. Mulligans are not eligible for any on-course contest including: longest drive, closest to the pin and hole-in-one.
